

Anna Amundson – Youth Services Coordinator

Anna was born in Michigan but grew up in Mt Iron, MN. She is from a big Finnish family and proud of it!

She graduated from Mt Iron – Buhl, Mesabi Range College (AA), Saint Cloud State University (BS) and Saint Mary's University (MA). Anna started her Y career in 1995 and began her work here at the Mesabi Y in 1997. She has worked in many departments but her primary focus has been kids and families.

Anna works with kids – that's what she does. Her Dad told her she went to school to play games...he is right (she has a degree in Recreation)! She loves that her work at the Y allows her to play every day.

Outside of the Y, Anna is a mom to two boys, Lucas and Caleb, who grew up in the Y. Soccer, preschool, youth programs, after school programs, summer day camp...her boys did it all. Anna has been coaching speech and theater at MI-B since 1997 and has been teaching preschool children since 2000. She has been working with kids and families all of her life. She enjoys reading, writing and traveling when she can. Anna is a coach, teacher and mentor. The Y has always been central to her career – it is her second home.

As the Youth Services Coordinator, Anna is responsible for developing, organizing and implementing high quality youth and family programs and activities under the YMCA's Youth Development Area of Focus. She oversees our Mentor Mesabi, Youth Leadership and Learn, Grow & Go programs.
