

Becky Zubich – CEO

Becky was born in Virginia, MN and spent part of her childhood living in Florida before moving back to Minnesota. After residing in La Crosse, WI for 9 years, she moved back to Virginia where she now lives with her husband and 4 children.

She graduated from Virginia High School, Mesabi Range College (AA) and University of Wisconsin – La Crosse (BS – Sport Management & Business Administration). Her Y career started in 1995 here at the Mesabi YMCA where she began teaching fitness classes and working at the Member Services Desk. Becky continued her work with the Y through college as a fitness instructor, wellness coach and personal trainer. Her college internship as the Wellness Coordinator at the La Crosse YMCA was an opportunity that provided the experience to further her career. She then spent the next 6 years working as the Fitness Director in La Crosse. Becky moved back to the Iron Range in 2006 and has worked at the Mesabi Y in various roles ever since: Fitness Director, Membership & Marketing Director, Associate Executive Director and Interim CEO which lead her to her current position. Becky is proud to lead a caring and knowledgeable leadership team focused on making our Y the best it can be.

Becky loves working for the Y because it is an organization focused on making our community a healthier place to live, work and play. She feels great knowing that the work she does every day has a positive impact on people of all ages and from all walks of life.

When she's not at the Y, you will most likely find Becky on the sidelines of a football field or basketball court. Her family life is focused around sports with her husband being a varsity football coach and her children being active in various sports/activities at their school. She enjoys spending time with her family relaxing & playing at the lake in the summer, running her kids around to their various activities and reading books or watching movies when she has some downtime.

As CEO, Becky is responsible for our organization's strategic direction and success. Along with the Board of Directors, she oversees the financial stability, community and philanthropic relations, staffing, development and operations of the Y.
