

Lynda Weir – Administrative Assistant

Lynda was born and raised in Virginia, MN and has been living in Britt for almost 40 years.

She has been working at the Mesabi Y since 1997 – first as a Member Services Representative and she started working “behind the scenes” in the membership department in 2004.

Lynda enjoys the Y because it’s a fun place to work. She gets to meet people of all ages and make a difference in their lives. She enjoys helping with many of our special events and working with dedicated co-workers.

She is a married mother of two who loves to spend time with family & friends, read and watch TV when she has time to relax.

As our Administrative Assistant, Lynda does a variety of our “behind the scenes” office work at the Y. She works directly with our Open Doors program and insurance incentive membership programs.
